Landi Renzo and SAFE take part in "Expo Proveedores del Transporte"

The event is to take place from May 25 to 27 in Monterrey

From May 25 to 27, the Cintermex of Monterrey, in the Mexican state of Nuevo León, will host "Expo Proveedores del Transporte", the most important event of its kind in the north of the country, which brings more than 250 exhibitors from the freight and passenger transport industries and the relating components supply chain.

Landi Renzo and Safe will feature at stand no. 1601/1700, where they will present the natural gas conversion of a Nissan vehicle.

Mexico is without doubt one of the most promising international markets for gas-fuelled vehicles.
